

The Missoula Mavericks American Legion baseball program is a non-profit 501(3)(c) organization built around the belief that commitment, integrity, and perseverance develop strong young men and build character. Our teams are comprised of young men aged 14-19 who compete throughout Montana and beyond!

We ask that you play a part in our program through your generous support! The funds raised through sponsorship help to cover the cost of uniforms, equipment, insurance, travel expenses, field maintenance, and various other costs associated with a quality program. Your tax-deductible contribution will ensure our players, including those who are in financial need, have the opportunity to be a part of our program.

Thank you in advance for your assistance in making our program successful! Our players, coaches, parent, and board members appreciate your partnership.
